**MOVEMENT CONTROL WITHIN KOUGA AND KOUKAMMA LOCAL MUNICIPALITIES OUTSIDE THE GAZETTED EASTERN CAPE DISEASE MANAGEMENT AREA (DMA)**

The department views the areas in the Kouga and Koukamma municipalities that are outside the DMA as areas of high alert for the Foot and Mouth Disease. Measures to control animal movement in these areas will be implemented as per Government Gazette R2465 on 8 September 2022, as follows:

Movement of live cloven hoofed animals will be allowed under the following conditions:

**1. Movement for direct slaughter:**

Live cloven-hooved animals may move for direct slaughter with a Veterinary Movement Permit based on the following conditions:

- Application through AgriEC system
- Declaration by the owner confirming no clinical signs of FMD at origin,
- Confirmation from a registered abattoir that indicates that animals have been booked for slaughter to be provided by the applicant.

**2. Movement for keeping, breeding and farming:**

Any such movements within farms will be considered subject to:

- Application through AgriEC system
- Health attestation by veterinary services (Private vet or Animal health technician) for animals moving out of the State Veterinary Area.
- Written approval from recipient of the animals confirming isolation of animals for a minimum of 28 days on arrival to destination farm

**Stock removal certificates with the registered brand mark of the owner must also accompany each consignment (Section 6 and Section 8 certificates issued in terms of the Stock Theft Act, 1959 (Act No 57 of 1959).**

**3. Movement of meat, milk and other animal products**

No restriction will be imposed for such movements.

Thank you,
