

INVITATION TO COMMENT ON THE INTENTION OF THE MINISTER OF THE DEPARTMENT OF AGRICULTURE, LAND REFORM AND RURAL DEVELOPMENT TO RE-ALIGN AND AMEND THE DEFINITION OF THE AREA OF JURISDICTION OF THE DEEDS REGISTRIES IN JOHANNESBURG AND PRETORIA

The general public and all interested parties are hereby invited to comment on the intention of the Minister of the Department of Agriculture, Land Reform and Rural Development to re-align and amend the area of jurisdiction of the deeds registries situated in Johannesburg and Pretoria.

In terms of section 1 of the Deeds Registries Act, 1937 (Act No. 47 of 1937), the Minister of Agriculture, Land Reform and Rural Development may, from time to time, subject to the laws governing the public service, by notice in the Gazette—

- Establish or disestablish deeds registries;
- Establish or disestablish sub-deeds registries within the area of deeds registries; and
- Determine the names and situation of such offices, define the respective areas thereof, or amend any such determination or definition.

The Minister intends the following:

- To amend the definition of the area of jurisdiction of the deeds registry in Pretoria, to the boundaries of the City of Tshwane Metropolitan Municipality, as from a date yet to be determined and published in the Government Gazette;
- To amend the definition of the area of jurisdiction of the deeds registry in Johannesburg, to the boundaries of the Province of Gauteng, excluding the area served by the deeds registry in Pretoria, as from a date yet to be determined and published in the Government Gazette;
- The status quo in respect of the area of jurisdiction of the deeds registries for the registration of the opening of townships, as contemplated in section 46A of the Deeds Registries Act, 1937, and the registration of farm and agricultural land, will remain until legislation has been amended to allow for registration to take place in accordance to the definition of the areas of the deeds registries in Pretoria and Johannesburg, as to be amended.
- The status quo in respect of the areas in the Province of the North West which are served by the deeds registry at Pretoria remains as is until otherwise determined by the Minister by Notice in the Government Gazette.

The purpose of the re-alignment of the areas of jurisdiction of the deeds registries in the Gauteng Province is to ensure improved access to deeds registration services to all citizens of the province. The current service delivery model is of such a nature that clients have to travel long distances in order to access deeds registration services. Re-aligning the areas of jurisdiction of the Pretoria and Johannesburg deeds registries will ensure that the Department of Agriculture, Land Reform and Rural Development implements constitutional reforms in the current service delivery landscape.

The public and all interested parties are hereby invited to make written submissions / comments in connection with the proposed amendments of the areas of jurisdiction of the Pretoria and Johannesburg deeds registries:
